Firearms legislation requires us to keep a record of the information requested on this form. It will be kept in confidence by the secretary and divulged only when deemed necessary. One of the sponsors must be a club committee member (please ask one of the committee at the range) and the other must know you personally (preferably your college tutor or supervisor). If you have previously been a member of a Home Office approved rifle club probationary membership should not be necessary and full-membership may be given straight away. If not there is a short probationary period before full-membership is gained with no extra cost. Please ask a committee member at the range if you would like more information.

Please complete the form and hand it in at the range or pigeon post it to the secretary (**Will Owen at Hertford College**) together with a cheque for your subscription (payable to **OURC**) along with **two** passport photos.

Please indicate which form of membership is appropriate (delete as necessary):
